DUBLIN, July 12, 2016 /PRNewswire/ -- Jazz Pharmaceuticals plc (Nasdaq: JAZZ) today announced the results of its tender offer to purchase all of the outstanding shares of common stock of Celator Pharmaceuticals, Inc. (NASDAQ: CPXX) at \$30.25 per share, net to the seller in cash, without interest (less any required withholding taxes). The tender offer is being effected by Jazz Pharmaceuticals' indirect wholly-owned subsidiary, Plex Merger Sub, Inc.

The depositary for the tender offer has advised Jazz Pharmaceuticals and Celator Pharmaceuticals that, as of the expiration of the tender offer at one minute following 11:59 p.m. New York City time, on July 11, 2016, a total of 36,516,173 shares of Celator common stock had been validly tendered and not withdrawn, representing approximately 81.13 percent of Celator's outstanding shares. In connection with the merger, each share of common stock of Celator not tendered in the tender offer (other than shares held by Celator and other than shares held by Celator stockholders who are entitled and have properly demanded appraisal in connection with the merger under Delaware law) will be converted into the right to receive \$30.25 per share, net to the seller in cash, without interest (less any required withholding taxes); the same price per share paid in the tender offer.
